Dear Friends:

Many of you are aware that Teaching Strategies has a new assessment system, Teaching Strategies GOLD. We are pleased to announce that NMSHSA has been working with Teaching Strategies to make GOLD online available to our members at a discounted rate of \$10.95 per portfolio for the 2011-2012 program year. This could be a savings of up to \$9.00 per portfolio for your program! Your subscription to GOLD online also includes online Professional Development.

**Five Easy Steps to Complete your Subscription!**

1. Determine how many child portfolios you will need. If necessary, be sure to purchase a few extra to allow for new enrollments and occasional reactivation of archived records.
2. If you are not using GOLD online already, select the date your program wants to begin to enter data into GOLD online. **This date can be anytime between now and August 31, 2011 for 2011-12 subscriptions.**
3. Contact the Customer Solutions Team at Teaching Strategies:
  - ✓ By phone at 800-637-3652 option 4 or
  - ✓ By email [CustomerRelations@TeachingStrategies.com](mailto:CustomerRelations@TeachingStrategies.com) to set up your subscription.
  - ✓ Specify that you are under the NMSHSA license
4. Watch for your new agreement to arrive electronically.
5. Return the agreement with signature and payment.

We are looking forward to helping you achieve a successful year. Please let us know if there is anything else we can do to help support you!

Sincerely,
